**MOTION TO CONTINUE SENTENCING HEARING**

This is an unopposed motion to continue Defendant Robin Smith's sentencing hearing, currently scheduled for October 17, 2022, at 1:00 p.m.

The plea agreement [D.E. 15] contemplates that Defendant will cooperate with the government in this and related cases. It is anticipated that Defendant will testify in *United States v. Casada, et al.*, Criminal No. 3:22-cr-00282 (Judge Richardson), recently set for trial on October 25, 2022.

The defense and the government suggest that the sentencing hearing in this case be projected to the end of January of 2023, at the very earliest, given the projected length of the Casada case with multiple defendants.

Counsel is authorized to state that the government is not opposed to this motion and has seen a draft of same prior to filing with this Court.

Respectfully submitted,
